Opis produktu

Zestaw profesjonalnych 36 kredek firmy DecoTime

AKWARELOWE

3 OPAKOWANIA W METALOWEJ PUSZCIE

- klasa premium
- 36 kredek w zestawie
- zamknięte w metalowej kasetce (pudełku)
- wszystkie kolory są bardzo jasne, czyste i nasycone
- mają intensywne kolory i nie trzeba wiele wysiłku, żeby uzyskać ładną, równomierną warstwę w mocnym odcieniu na papierze.
- dobrze się mieszają ze sobą i pozwalają na nakładanie przynajmniej kilku warstw.
- kredki mają sześciokątny przekrój i są polakierowane na matową czern, z kolorowymi końcówkami określającymi barwę grafitu.
- drewno kredek bez szkodliwych substancji i nie wkręca się w temperówkę,
- grafit miękki, ale kredki nie są tłuste

Serdecznie polecamy zakup oferowanego zestawu, będzie to wspaniały prezent dla każdej obdarowywanej osoby i zapewni wiele godzin przyjemności z korzystania z kredek.
