STMC COMPLIANT COMPANY

10

The image shows the front of a Brother toner cartridge box. The top left features the word 'TONER' in large blue letters with a rainbow gradient underline, followed by the slogan 'Quality · Service · Professional'. Below this, the product name is listed in four languages: English, French, Spanish, and Polish. At the bottom left, there is a small tree icon and a message in three languages about environmental sustainability. The right side of the box is dark blue and contains two certification logos: ISO9001 and ISO14001, and the STMC (Sustainable Trade Mark Company) logo with a '10' in a circle. Below the text on the right, there are three small images: a blue jay, a lush green forest with a river, and a tiger's face.
